Hi all,

I'm headed out the door for an EPA/States meeting, but wanted to pass this along. It is the sampling map for all three Phases of private well sampling thus far. Phase III began last week. Depicted on the map, Phase III are parcels that are outlined in green and blue, some are in Cumberland and some are in Bladen County.

Hello all,

As requested, please find attached a map that shows the outline of both Round 2 and now Round 3 of the off-site residential sampling program.

Respectfully submitted,
Kevin
